### Madonna, Marina + The Diamonds, Vanbot + More: 5 Must-Hear Pop Songs Of The Week

Posted 8 hrs ago by [Bradley Stern](#) in [Celebrity](#), [Music](#)

*It's Wednesday! Time for another round of 5 Must-Hear Pop Songs of the Week!*

*Hey, ladiesssss! It's an all-female, all-dance fest on this week's wrap-up! Okay. Who am I kidding? Let's be real: So is 98.9% of my music inventory. But whatever, it's a free country!*

#### 1.) Madonna, "Girl Gone Wild"

After teaming up with [Nicki Minaj](#) and [M.I.A.](#) for her chant-happy lead single "Give Me All Your Luvin'" (her 38th top 10 single, which continues to cement her record for most top 10 singles ever, but who's counting?), [Madonna](#) returns this month with a second dose of her upcoming studio album, *MDNA*: "Girl Gone Wild."

#### 5.) Robbie Rivera featuring Jes, "Turn It Around"

Time for some self-empowerment: Acclaimed House DJ [Robbie Rivera](#) has just teamed up with dance floor chanteuse [Jes](#) for "Turn It Around," an uplifting arena-sized House anthem. "When you think you've had enough/ It's time to face it again/ Show them what you got," Jes triumphantly declares above a strumming electric guitar lick. Cue hands-in-the-air synthesizers and enough pulse-raising Ibiza-friendly beats to keep your hair standing on end, and you've got one hell of a defiant dance anthem.

In his spare time, he enjoys organizing his Britney Spears CD collection in reverse chronological order and plotting the various ways in which he will bring down Katy Perry to become Rihanna's best friend. But most of all, he spends his time [tweeting](#) musing daily about pop music on his blog, [MuuMuse](#).*
